State Income Tax Withholding Preference Certificate

Nebraska State income tax will not be withheld unless a Nebraska State Income Tax Withholding Preference Certificate is on file in our office.

If you are a Nebraska resident, you may be liable for a state early withdrawal penalty at the time you file your Nebraska income tax return. In addition, if your state income tax withholding amounts or estimated tax payments fall short of your tax liability, you may incur a penalty for state income taxes.

Questions regarding your individual tax liability should be directed to your accountant, the Internal Revenue Service and/or the Nebraska Department of Revenue. The Public Employees Retirement Systems staff are not qualified to answer your personal tax questions.

PLEASE CHECK **ONE** OF THE FOLLOWING:

- ☐ I **DO NOT** wish to have Nebraska state income tax withheld from benefits paid to me.
- ☐ I wish to have Nebraska state income tax withheld from my benefit according to the tax withholding tables. (If you are a member of the School, Judges or State Patrol Retirement plan, a form W-4P must accompany this form if not already on file.) The same marital status and number of withholding allowances claimed for federal purposes must be used for Nebraska.
- ☐ I wish to have Nebraska state income tax withheld from my benefit at the flat monthly amount of \$_____.

I hereby submit this Certificate of Preference regarding how my benefit is to be treated for purposes of Nebraska state income tax withholding.
